

## Jeff Hymas, Director of Public Affairs, Savage

Jeff is Director of Public Affairs at [Savage](#), where he leads the global supply chain company's external communications, public relations and community involvement, and helps guide sustainability initiatives. In this role, he's supported the development of [Savage Transload Network](#) terminals and other infrastructure projects across North America to increase safe, efficient and sustainable freight transportation using rail.

He previously worked in communications and media relations roles at PacifiCorp, an investor-owned electric utility, and in municipal government. Hymas graduated from the University of Utah with a bachelor's degree in Mass Communications and earned a Certificate in Global Business from Harvard Business School Online.
